## Japan Historical and Culture Study Tour

It was a once in a lifetime experience. We were able to look at Japan's history from its feudal roots to their post-war reconstruction. Out of the many places we visited, such as the former coal mine Gunkan Jima and Dutch port Dejima, the Memorial at the Nagasaki Peace Park left the biggest impression for me, we were fortunate enough to participate in the memorial of the atomic bomb dropping on Nagasaki at the end of the Second World War. At the memorial there were not enough seats to offer for all the participants, so we had to stand behind the seats. The atomic bombs have really scarred the Japanese people that many still go to the park to remember the victims on that dreadful day. We also went to the Nagasaki Atomic Bomb Museum, looking at the photographs of mutilated people and devastated buildings and the stories of innocent people caught in the blast, it left a huge mark and made me think how warfare hurts not only the belligerents fighting it, but the civilians behind them as well.

Many thanks to the School for organizing this trip!

## CAS Expedition to Cambodia

F4 IB students went to Siem Riep in Cambodia for five days in late August 2017 to do service learning work to support the local community. Students helped with renovation and construction work for impoverished families which involved physically demanding tasks such as mixing cement, plastering and building brick walls. They made 1,000 litre capacity water jars from clay, taught local children English and visited ancient historical sites such as Angkor Wat. All of them truly experienced the value of making a positive impact in the lives of others and made great strides in becoming responsible members of the global community.

## 2017年廣州歷史文化研習團

聖士提反書院建校以來，奉行全人教育，利用遊學拓展研習，使學生既增廣見聞，又能從中汲取知識養分。2017年7月，中國歷史科特別舉辦廣州歷史文化研習團，讓所有中三學生親身考察近代史的發生場景，使能深入體會近代中國發展的艱難與奮發，從而可以適度地反思個人、社會、香港、中國的相互關係。

參觀黃埔軍校

是次兩日行程經中史科老師精心安排，參觀黃花崗七十二烈士陵園，緬懷近代仁人志士的革命理想；前赴中山紀念堂和大元帥府，了解國父孫中山為國家人民鞠躬盡瘁的犧牲精神；訪問農講所和黃埔軍校，明白到民國初年，中原板蕩，政治思潮風起雲湧的時代。學生在短短兩日內，重回近代史的現場，把課本知識和史事場景配合，體驗昔日為中國前途挺身而出的血性情懷，思考今天中國走向共和的希望。

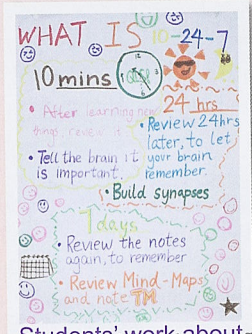

## Quantum Learning Camps, August 2017

Living on the school campus with their peers for one week before they join the SSC family, Pre-S1 students were first equipped with their socializing, communication and adaptive skills in the Quantum Learning Camp. This is to create a solid foundation for them to get the most out of their school life in the future.

This camp aimed to enhance their learning skills such as memorization, note taking, reading, listening and writing skills, while building their confidence and motivation. The focus of the programme was also put on the concepts of the eight keys of excellence characters embracing Integrity, Failure Leads to Success, Speak With Good Purpose, This Is It, Commitment, Ownership, Flexibility and Balance. On the graduation day, their parents had a chance to experience what they had learned through their presentations and different activities. Overall, this programme was very well received by the students and the parents.

Diverse and creative ideas for CAS Projects this year included an interactive nature trail around the school campus, lunchtime music concerts, painting an inspiring message on the steps to the Chemistry lab, a career mentorship programme and tutoring local primary students. On the 16-18th October 2017, display booths were put up in the CB building exhibiting their exemplary work to the rest of the school.

## 領袖訓練營

夏末秋至，領袖訓練計劃隨著十月的到來展開了序幕。

我們來到聖士提反附屬小學進行第一個挑戰——運動攀登。還未走進鐵門，兩三層樓高的攀登牆映入眼簾，足以讓我們望而生畏。那時每人心中都有一個疑惑：我能行嗎？開首，老師讓每人先嘗試獨自登頂敲鈴，一嘗運動攀登的困難和樂趣。在過程中，四位老師在牆下拉著正在攀登的同學的「救命繩」，以確保我們的安全，並在適當的時候給予提示。登頂並不是容易的事，除了自己要懂得利用臂力和腿力，還要有老師們的指導，要不然我們也難以成功。獨自攀登完成後，老師給我們三個任務，進行分組比賽。讓我們學會團隊合作、解難能力和細心觀察三者的融會貫通，同時也是領袖訓練計劃的核心目的。

第二個挑戰以城市定向開啟了兩天一夜領袖訓練營的旅程。老師們充分利用了「香港」這個大舞台，為我們籌劃了一系列的任務，完成任務會獲得相應的「昇突幣」，為下午在西貢白沙澳本營的競投活動作鋪墊。從食物到晚上的「居所」，每組都要通過拍賣的方式，換取所需的物質。經過一陣「血雨腥風」的煮食混亂，就到了兩天的重頭戲，一人夜行。一個人在毫無光亮的山林行走？大家面面相覷，心中都是種種的不情願。事實上，一個人的夜行充滿樂趣——踏在乾裂的枯葉、月光下隱約可見的階梯輪廓、周圍一顆顆模糊的高樹，光線下熟悉的一切一切都變得陌生而難以分辨。樹葉交織的沙沙聲、微風拂過的呼嘯聲、昆蟲偶爾發出的吱吱聲，這是個聆聽大自然交響曲的好機會，更讓我們平靜波瀾四起的心，聆聽內心深處的渴望、讓心靈迴歸。

或許我們的前路像一個人的夜行般模糊不清，但只要一鼓作氣繼續走下去，終究會到達人生的高峰處，一睹腳下美景。

本年八月九日至十二日期間，音樂學會於學校舉辦了每年一度的Music Elite Group Advancement Camp（簡稱M.E.G.A. Camp），為上年度展現了領導潛質的初中同學提供了一系列訓練活動。

活動期間，我們分別邀請了舊生回校分享當年舉行活動的心得，以及其後修讀音樂的旅程。除此之外，我們更邀請到伊利諾大學香檳分校的指揮系博士生鄧郎淘先生指導同學的基本指揮及排練技巧，讓同學他日協助合唱團及樂團排練時更得心應手。

除了訓練活動，當然不少得刺激有趣的營內分組遊戲環節，讓同學寓學習於娛樂，促進相互之間的友誼，為來年的一連串音樂活動作好準備。

## 中文學會

中文學會一直秉承傳揚中國文化的使命，在課堂以外把中文活潑有趣的一面帶給同學。我們以互動的形式來演繹中國文化源遠流長的內涵，而中文學會亦隨著老師和同學的熱誠與支持，成功創造了多次愉快的學習旅程。

本年度中文學會率先在九月中旬舉辦了中文週。當中有不同的小遊戲與同學交流，以及兩場嘉賓分享。置身其中，同學們都踴躍投入，翹首以待聆聽《大體大得》編者鍾慧然小姐及校園閱讀推廣專家范建梅老師的分享。還有，我們帶領同學觀賞由鍾景輝先生擔任藝術總顧問的舞台劇《小城風光》。配合一連串的反思活動，同學不但有機會親眼欣賞這知名劇目，更加能嘗試反思劇內對於人生、生命的真誠哲理。

另外，我們今年度也首次舉辦了漂書活動——「尋找書本的故事」。承蒙老師同學的慷慨捐贈和參與，我們為舊書尋獲了新主人，盼望文字的力量能傳承下去。相信這項互惠的精神會與閱讀風氣一樣，繼續在我們的校園綻放。

## How bright can our light shine?

### By 2017-18 Students' Association Meraki

Did you know that when you are awake, your brain generates enough power to light up a light bulb? What if all those dreams and ideas running through all our brains went into one light bulb? How bright would our light shine?

Every year, different student associations step up to be the platform for this light. Whether it be Voca, voicing our opinions, or mirror, reflecting our thoughts. This year, after a tough election between Arcade and us, we, Meraki, were lucky enough to be chosen. And we promise to be the lightbulb powered by all your ideas and letting them shine.

As this year's student Association, we wish to serve the entire school, striving for better welfares such as discounts to Ocean Park, various famous food stores and Instagram shops, providing fast services and running activities on the paramount considerations of SSC students. We have kept SSC's traditions like singing contest and Valentine's Day activities, and on its basis, we added our own creativities, such as Water Balloon Fight in Swimming Gala and fashion show. We will also bring back the long-lost SA magazine.

We know there are changes that need to be made, there are dreams that need to be fulfilled. And we are here to make them happen. To innovate, to improve, for which we are more than willing to go an extra mile. We strive for changes, we strive for new policies, and we strive for better facilities. Together, we believe that the light bulb would be bright enough to light up the whole school.

## First Staff Development Day

## Harvest Day

The Creativity Programme offers junior form students opportunities to design, engage in, and reflect on creative projects that contribute to aesthetic and analytical knowledge creation. The programme aims to develop capacities for students to approach challenges or situations in innovative ways and come up with new ideas and solutions. In addition to the teachers-in-charge, this programme is supported by a group of experts: artist-in-residence Mr Wong Ping Kwong, local writers Mr Tsui Cheuk Yin and Mr Leung Wai Lok, visiting composing artists Mr Lau Jun Yin Jim and Dr Lai Nga Ting Ada, and the staff at the renowned HKNGCA Science Innovation Centre.

Three years of harvest was shared with more than 500 students on October 12. Creative works produced by Form Four students were on display at Tang Shiu Kin Hall. This is not only an occasion for students to showcase their good work, but also an opportunity for them to share their experiences and learn from each other. Their work is the fruit of the six strands of the Creativity Programme:

- 1) Creative Ceramics,
- 2) Creative Business,
- 3) iEngineering,
- 4) Scientific Project,
- 5) Creative Music
- and 6) Creative Writing.

## AGM, time for review and reinforce

The most important event of St Stephen's College Parents and Teachers Association (SSCPTA) each year is the Annual General Meeting (AGM). It is the time to review what we have done in the past and what needs to be done in the future. It is also the time to reinforce the spirit of volunteer service, and the unity of the EXCO.

This year, the AGM held in September also served two very important purposes: by-election of two EXCO parent members, and proposing and voting for the PTA Constitution amendments.

I am very pleased to see two calibers joined PTA EXCO. They are Dr. Sylvia Doo and Mr. Alan Lam. Both were active and capable members in the Preparatory School PTA. Their enthusiasm, capability and dedication will bring in fresh blood and new energy to our team!

Thanks to Ms. Alice Kwok's kind help and very professional advice, under Vice-Chairlady Brenda Ng's leadership, PTA was able to amend and update our constitution in the first time since it

Ms. Liu Su  
Chairlady of PTA

was written nearly two decades ago. A very challenging task but done gracefully and effectively!

As an inspirational speaker, Dr. HO Yuk Fan, Esther shared with us on "Positive Education for Teens". As an experienced educator and high school principal herself, Dr. Ho's talk was interesting, relevant and inspiring! We were grateful to her contribution to our AGM.

Class Teacher and Parents meeting is always the most "wanted" agenda for each AGM. Our dedicated teachers had very engaging conversation with parents especially those who were new to the school or to a specific study track such as IB or DSE.

In the past year PTA held 8 meetings and organized 10 events. In the year ahead, we will continue to serve our parents and students with needing talks and activities. Please stay tune to our forthcoming events notice.

Dr. Sylvia DOO, the  
new EXCO member  
of SSC PTA

Mr. Alan LAM, the  
new EXCO member  
of SSC PTA

In the past year, it was a pity that two parent members had to leave the SSC PTA EXCO family due to personal reason or his child leaving the school. The EXCO thus may appoint two parent members by vote to substitute for the vacancies according to the SSC PTA Constitution. An Extraordinary EXCO Meeting was held on 28th of August, 2017 for the by-election of two SSC PTA EXCO members. 15 EXCO members were present at the meeting, attendance reaching about 90%. Finally, two candidates, Dr. Sylvia DOO and Mr. Alan LAM were elected unopposed as SSC PTA EXCO members.

Welcome to join us, Dr. Sylvia DOO and Mr. Alan LAM!

## 海外升學、任重道遠

海外升學一直是本校畢業生的一個重要選擇。身為家長都會為子女未雨綢繆，但到底是留港繼續學業還是到外國升學，一直會困擾家長，因為家長的選擇會直接影響子女未來發展，所以選擇一個合適的升學途徑，對家長和子女都十分重要。

為此，聖士提反書院家長教師會每學年都會為中二至中六家長及學生計劃兩場海外升學之路資訊講座。本年度第一場於2017年11月25日下午舉辦。意在為家長及學生家長勾畫海外升學的總體路線圖。

家長報名非常踴躍，當日共有114名家長出席，以中二及中五家長為多，佔出席總人數的54%。雖然中一家長並非目標人群，但仍有12%的參加者來自剛踏入中學的學生家長。在升學地區的選擇上，英國仍然最得家長青睞，而對美國的興趣亦在增加。

本場講座的第一部分是關於申請海外升學需要做的各項準備工作，由本校負責升學輔導及生涯規劃的翁佑甄和鄭學研兩位老師主講。第二部分是關於不同國家的升學諮詢，其中美國由鄭國雄老師講解；加拿大及澳大利亞由鄭學研老師講解；英國及其它國家由翁佑甄老師講解。三位老師豐富的經驗和知識，為家長及學生提供了寶貴的參考和幫助，得到與會家長的充分肯定。

## 探訪楊校長府邸

時間：2017年9月16日（星期六）下午

地點：二號屋校長府邸（即主人和我的家）

人物：PTA / 義工 uncles, aunties 及老師

事情：大食會、集體遊戲、閒談及拍大合照

經過：十數位PTA uncles, aunties和老師帶來多款美食放滿一桌。

他們除了與我主人說說笑笑、飲飲食食，還齊齊玩帶來的立體水晶砌圖。看見他們努力地查看說明書，你一句我一句，將砌件傳來傳去，足足花了一小時，仍未見製成品面世。我和妹妹Ebony則穿梭於客人中間，沉醉於他們的寵愛和享受不時送來的美食。

結果：果然眾志成城！主人被邀請插入最後的組件後，砌圖終於完成了！原來是飛機師史路比和它的戰鬥機，好一份共同努力製作的手信呢！我們還一起拍照留念，共渡了一個充滿歡笑聲的週末下午。

## 「基督教教育分享」家長聚會

11月24日的一個基督徒敬拜分享晚會裡，校長、副校長、老師、校園傳道及家長們，用詩歌、見證分享、禱告及相交，滿心歡喜地用誠實和心靈去讚美建立聖士提反書院的主基督！在當中領受到神正在把祂復興的旌旗再次豎立在SSC的校園裡！讓基督的道路真理生命栽種在每個同學身上。願主的聖靈引領及感動更多家長、同學及老師能得著基督的生命，如經上說：當信主耶穌，你和你一家都必得救。Amen！
